

DARIYA DOVHENKO

2D GAME ARTIST / ILLUSTRATOR

Tbilisi, Georgia | Remote / hybrid | firacgi@gmail.com

[Website](#)[ArtStation](#)[LinkedIn](#)[Instagram](#)[Telegram](#)

PROFILE

I began in traditional painting and moved into games in 2018. I have worked on characters, props and story-driven illustrations for studio teams, and have also led 2D art production. I enjoy shaping the first rough idea, then staying with it through the final details that make it work in a game.

PROFESSIONAL EXPERIENCE

Freelance 2D Artist & Illustrator - Independent

Jul 2026 - present

Character, illustration and game-art commissions; concepts through final artwork.

2D Artist - GAMETEQ, Tbilisi

Jan 2024 - Jul 2026
